## VIVID SYDNEY SHINES

The largest festival of its kind in the world, Vivid Sydney shines from Friday 26 May to Saturday 17 June 2017 with an inspiring new program of amazing light art, cutting-edge music performances, creative talks, workshops and showcases.

**Sustainability:** Vivid Sydney has again partnered with the Banksia Foundation to measure and improve its sustainability performance. All grid-connected light installations at this year's event will be powered by 100% GreenPower accredited renewable energy.

For 23 days and nights, Sydney is illuminated from 6pm to 11pm with grand-scale projections, light sculptures and installations. Step into the amazing world of Vivid Light, Music & Ideas at all your favourite precincts including new precincts Kings Cross and Barangaroo (South).

- The Rocks
- Campbells Cove
- Royal Botanic Garden
- Martin Place
- Darling Harbour
- Barangaroo (South)
- Kings Cross
- Chatswood
- Taronga Zoo

## GETTING THERE

Major roads in the Sydney CBD will be closed during Vivid Sydney. On Monday to Thursday nights some roads will close from 7pm. On Friday night's key roads close from 6pm and on weekends major road closures go in place from 5pm. Roads in Chatswood will close from 7pm on Thursday and Friday nights and from 5pm on weekends.

Public transport will be the easiest way to get around the city over the 23 nights of the festival, especially on weekends when the crowds are big and the road closures are extensive. Extra trains and buses will run on the busier nights to help people get to and from the precincts so don't consider driving when planning your Vivid experience. For everything you need to know about road closures and getting around Vivid Sydney by public transport go to [vivid Sydney.com/transport](http://vivid Sydney.com/transport) or call 131 500.

## ACCESS AND INCLUSION
