

VIVID SYDNEY LIGHT WALK MAP

Vivid Sydney is set to transform Sydney, the harbour city, from 27 May to 18 June. This year, Vivid Sydney features its longest continuous light walk, stretching for 8km and linking the Sydney Opera House to Central Station. 11 Sydney CBD locations will ignite with Circular Quay, Sydney CBD, The Rocks, Barangaroo, Darling Harbour, Darling Square, Darling Quarter, The Goods Line, Central Station, Luna Park, and, Taronga Zoo all coming to life with a mesmerising kaleidoscope of light artworks.

Given the fluid nature of the Light Walk through some of Sydney's most spectacular CBD precincts, there are varying foot-traffic capacities in different areas of the route. That is why Vivid Sydney will have a one-way pedestrian flow in some areas of the Light Walk to keep foot-traffic moving and reduce potential congestion. There are many places to start and re-join the Light Walk, giving visitors many options to plan and adjust their journey. Visitors are asked to observe instructions given by marshals and volunteers, and pay attention to the variable message signs, which will be regularly updated. For walking route details between locations and transport hubs, visit vivid Sydney.com/transport
